Where a particular clause is included in the Agreement but is not relevant to the Contractor because that clause relates to matters which do not apply to the Contractor (for example, if the clause only applies to partnerships and the Contractor is an individual dental practitioner), that clause is not relevant and has no application to the Agreement.

⁴ This provision has been included so that if, in relation to a particular agreement, a particular clause number or numbers are not relevant (for example, because that clause or those clauses only need to be included in contracts with a partnership and the contractor concerned is an individual dental practitioner), the words of that clause can be deleted and the word 'reserved' can be inserted next to that clause number: this is to avoid renumbering the clauses or cross-references in the Agreement.

PART 2⁵ RELATIONSHIP BETWEEN THE PARTIES

6. The Agreement is a contract for the provision of services. The Contractor is an independent provider of services and is not an employee, partner or agent of the Board. The Contractor must not represent or conduct its activities so as to give the impression that it is the employee, partner or agent of the Board.

10. In complying with this Agreement, and in exercising its rights under the Agreement, the Board must act reasonably and in good faith and as a responsible public body required to discharge its functions under *the 2006 Act*.
11. Clauses 9 and 10 above do not relieve either party from the requirement to comply with the express provisions of this Agreement and the parties are subject to all such express provisions.
12. The Contractor shall not give, sell, assign or otherwise dispose of the benefit of any of its rights under this Agreement. The Agreement does not prohibit the Contractor from sub-contracting its obligations arising under the Agreement where such sub-contacting is expressly permitted by the Agreement.

⁶ This clause is required by *the Regulations* (see paragraph 83 of Schedule 3).

14. The Contractor **has [not]** elected to be regarded as a *health service body* for the purposes of section 9 of *the 2006 Act*. Accordingly, this Agreement **is [not]** an *NHS contract*.⁸

⁸ Where the agreement is an *NHS contract*, it is not enforceable in the courts but instead is subject to the dispute resolution procedures set out in Part 21 of the Agreement and paragraphs 55 and 56 of Schedule 3 to *the Regulations*. Therefore, the Agreement must specify whether or not the Contractor has elected to be regarded as a *health service body*, and if it has, the Contractor must indicate that the Agreement is an *NHS contract*.

308. The Board may serve notice in writing on the Contractor terminating the Agreement forthwith or with effect from such date as may be specified in the notice if—
- 308.1. the Contractor has breached the Agreement and as a result of that breach, the safety of the Contractor's patients is at serious risk if the Agreement is not terminated; or
 - 308.2. the Contractor's financial situation is such that the Board considers that the Board is at risk of material financial loss.

Termination by the Board: remedial notices and breach notices

312. Where the Contractor has breached the Agreement other than as specified in clauses 302 to 308 and the breach is not capable of remedy, the Board may serve notice on the Contractor requiring the Contractor not to repeat the breach ("breach notice").

313. If, following a breach notice or a remedial notice, the Contractor—

313.1. repeats the breach that was the subject of the breach notice or the remedial notice; or

313.2. otherwise breaches the Agreement resulting in either a remedial notice or a further breach notice,

the Board may serve notice on the Contractor terminating the Agreement with effect from such date as may be specified in that notice.

314. The Board shall not exercise its right to terminate the Agreement under clause 313 unless it is satisfied that the cumulative effect of the breaches is such that the Board considers that to allow the Agreement to continue would be prejudicial to the efficiency of the services to be provided under the Agreement.

315. If the Contractor is in breach of any obligation and a breach notice or a remedial notice in respect of that default has been given to the Contractor, the Board may withhold or deduct monies which would otherwise be payable under the Agreement in respect of that obligation which is the subject of the default.

317. Where the Contractor is a *dental corporation* or company limited by shares and on or after the coming into force for all purposes of article 39 of the *Dentists Act Order* during the existence of the Agreement—

317.3. the *dental corporation* or company limited by shares, or a director or former director of that corporation or company, has had a financial penalty imposed on it or him by the General Dental Council pursuant to section 43B or 44 of the *Dentists Act*,

317A. Where the Contractor is a company limited by shares and the company ceases—

317A.1. to be a company limited by shares; or

the Board shall serve notice in writing on the Contractor terminating the Agreement forthwith.

Agreement sanctions

318. In clauses 319 to 326, "agreement sanction" means—
- 318.1. termination of specified reciprocal obligations under the Agreement;
 - 318.2. suspension of specified reciprocal obligations under the Agreement for a period of up to six months; or
 - 318.3. withholding or deducting monies otherwise payable under the Agreement.
319. Where the Board is entitled to terminate the Agreement pursuant to clauses 302, 303, 308, 311, 313, 316 or 317, it may instead impose any of the agreement sanctions if the Board is reasonably satisfied that the agreement sanction to be imposed is appropriate and proportionate to the circumstances giving rise to the Board's entitlement to terminate the Agreement.
320. If the Board decides to impose an agreement sanction, it must notify the Contractor of the agreement sanction that it proposes to impose, the date upon which that sanction will be imposed and provide in that notice an explanation of the effect of the imposition of that sanction.
321. Subject to clauses 323 to 326, the Board shall not impose the agreement sanction until at least 28 days after it has served notice on the Contractor pursuant to clause 320 unless the Board is satisfied that it is necessary to do so in order to—
- 321.1. protect the safety of the Contractor's patients; or
 - 321.2. protect itself from material financial loss.
322. Where the Board imposes an agreement sanction, the Board shall be entitled to charge the Contractor the reasonable costs of additional administration that the Board has incurred in order to impose, or as a result of imposing, the agreement sanction.

Agreement sanctions and the NHS dispute resolution procedure

323. If there is a dispute between the Board and the Contractor in relation to an agreement sanction that the Board is proposing to impose, the Board shall not, subject to clause 326, impose the proposed agreement sanction except in the circumstances specified in clause 324.1 or 324.2.
324. If the Contractor refers the dispute relating to the agreement sanction to the *NHS dispute resolution procedure* within 28 days beginning on the date on which the Board served notice on the Contractor in accordance with clause 320 (or such longer period as may be agreed in writing with the Board), and notifies the Board in writing that it has done so, the Board shall not impose the agreement sanction unless—

OFFICIAL

- 324.1. there has been a determination of the dispute pursuant to paragraph 56 of Schedule 3 to *the Regulations* and that determination permits the Board to impose the agreement sanction; or
- 324.2. the Contractor ceases to pursue the *NHS dispute resolution procedure*, whichever is the sooner.
325. If the Contractor does not invoke the *NHS dispute resolution procedure* within the time specified in clause 324, the Board shall be entitled to impose the agreement sanction forthwith.
326. If the Board is satisfied that it is necessary to impose the agreement sanction before the *NHS dispute resolution procedure* is concluded in order to—
- 326.1. protect the safety of the Contractor's patients; or
- 326.2. protect itself from material financial loss,
- the Board shall be entitled to impose the agreement sanction forthwith, pending the outcome of that procedure.

Termination and the NHS dispute resolution procedure

327. Where the Board is entitled to serve written notice on the Contractor terminating the Agreement pursuant to clauses 302, 303, 308, 311, 313, 316 or 317, the Board shall, in the notice served on the Contractor pursuant to those provisions, specify a date on which the Agreement terminates that is not less than 28 days after the date on which the Board has served that notice on the Contractor unless clause 328 applies.
328. This clause applies if the Board is satisfied that a period less than 28 days is necessary in order to—
- 328.1. protect the safety of the Contractor's patients; or
- 328.2. protect itself from material financial loss.
329. In a case falling within clause 327, where the exceptions in clause 328 do not apply, where the Contractor invokes the *NHS dispute resolution procedure* before the end of the period of notice referred to in clause 327, and it notifies the Board in writing that it has done so, the Agreement shall not terminate at the end of the notice period but instead shall only terminate in the circumstances specified in clause 330.
330. The Agreement shall only terminate if and when—

OFFICIAL

- 330.1. there has been a determination of the dispute pursuant to paragraph 56 of Schedule 3 to *the Regulations* and that determination permits the Board to terminate the Agreement; or
- 330.2. the Contractor ceases to pursue the *NHS dispute resolution procedure*, whichever is the sooner.
331. If the Board is satisfied that it is necessary to terminate the Agreement before the *NHS dispute resolution procedure* is concluded in order to—
- 331.1. protect the safety of the Contractor's patients; or
- 331.2. protect itself from material financial loss,
- clauses 329 and 330 shall not apply and the Board shall be entitled to confirm, by written notice to be served on the Contractor, that the Agreement will nevertheless terminate at the end of the period of the notice it served pursuant to clause clauses 302, 303, 308, 311, 313, 316 or 317.

Consequences of termination⁴⁷

Subject to this requirement, the parties could draft their own provisions dealing with the consequences of termination.

OFFICIAL

The Board shall serve the Contractor with written details of the reconciliation as soon as reasonably practicable, and in any event no later than four months after the termination of the Agreement, in respect of all outstanding payments due to the Contractor from the Board and any patient charges due to be paid by the Contractor to the Board (pursuant to paragraph 11.19 of the Personal Dental Services Statement of Financial Entitlement).
336. If the Contractor disputes the accuracy of the reconciliation, the Contractor may refer the dispute to the *NHS dispute resolution procedure* in accordance with the terms of the Agreement within 28 days beginning on the date on which the Board served the Contractor with written details of the reconciliation. The parties shall be bound by the determination of the dispute.
- 336A Pursuant to paragraph 11.21 of the Personal Dental Services Statement of Financial Entitlement, if after 2 months of the reconciliation statement being produced by the Board the Contractor has not disputed the reconciliation statement, that reconciliation statement will be the amount either payable to the Contractor or recoverable from the Contractor, whether or not, if the reconciliation statement had been disputed, that would have led to an amended reconciliation.
337. Each party shall pay the other any monies due within three months of the date on which the Board served the Contractor with written details of the reconciliation, or the conclusion of the *NHS dispute resolution procedure*, as the case may be.
338. The obligations contained in clauses 333 to 337 shall continue to apply notwithstanding the termination of the Agreement.

355. If, in the reasonable opinion of either party, the effect of such a deletion is to undermine the purpose of the Agreement or materially prejudice the position of either party, the parties shall negotiate in good faith in order to agree a suitable alternative term to replace the deleted term or a suitable amendment to the Agreement.
356. If the parties are unable to reach agreement as to the suitable alternative term or amendment within a reasonable period of commencement of the negotiations, then the parties may refer the dispute for determination in accordance with the *NHS dispute resolution procedure* set out in Part 21.
