Dear Sir

HEALTH CARE IN HOMES SEMINAR REPORT

I enclose a copy of the report of the Seminar on Health Care in Homes held at the Department on 19 September 1989. May I take this opportunity to thank all those who attended, and helped to make the Seminar both interesting and informative.

As was announced at the Seminar, the Department are now in the process of preparing further guidance on health care in residential care homes of all types. We shall be consulting authorities and others with an interest about this in due course.

Yours faithfully
